

## Directions to Amy's Animal Massage Studio

Tucked away in the woods by beautiful Lake DuBay, the studio is a quiet, peaceful setting designed for your dog's comfort. It is a dedicated space built at my residence, with easy level entry and padded floors.

From Hwy 51/I-39, take the Hwy 34 exit west a couple miles. After you cross the Wisconsin River bridge by Meyer's Landing, watch for Johns Ln on the left. Just a little way down Johns Ln, the road takes a lazy left turn. Our driveway is right at that bend, on the right.

Our driveway is a long gravel driveway. You can't see our house from the road, but you'll see my Amy's Animal Massage sign.

Pull right in down the driveway. You'll see the red door on the far left side of the garage with my Amy's Animal Massage sign in the window.

Pull right up in front of the door.  
I will be there to greet you and your dog!
